Supplemental Type Certificate

Number SA4855NM

This Certificate issued to Aeroplane Factory
885 Taildragger Road
Gardnerville, Nevada 89410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations.*

*Certification basis is set forth in Type Certificate Data Sheet A-766.

Original Product Type Certificate Number: A-766

Make: Swift Museum Foundation

Model: GC-1B

Description of Type Design Change: Installation of dual-stick flight control system in accordance with FAA approved Aeroplane Factory Drawing List Report No. 2, Revision B, dated August 25, 1989, or later FAA approved revisions.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this change and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 18, 1979

Date reissued: October 22, 2009

Date of issuance: May 4, 1990

Date amended:

By direction of the Administrator
